OFFICIAL TITLE AND SUMMARY (SAME AS ON PETITION)

The Attorney General of California has prepared the following circulating title and summary of the chief purpose and points of the proposed measure:

Provides that city and county land-use and zoning laws (including local housing laws) override all conflicting state laws, except in certain circumstances related to three areas of statewide concern: (1) the California Coastal Act of 1976; (2) siting of power plants; or (3) development of water, communication, or transportation infrastructure projects. Prevents state legislature and local legislative bodies from passing laws invalidating voter-approved local land-use or zoning initiatives. Prohibits state from changing, granting, or denying funding to local governments based on their implementation of this measure. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: Fiscal effects of the measure depend on future decisions by the cities and counties and therefore are unknown.
